

16 March 2020

IFHE Congress Rome 2020

Dear Colleagues

As you are all aware the world is in the midst of a Covid 19 pandemic and this has affected Italy greatly. IFHE and SIAIS have reluctantly agreed to postpone the Congress until **January 23-28 2021**. Once firm arrangements are made for the revised date information will be circulated.

It should be remembered that any arrangement made could be subject to change based on WHO advice.

I hope you are all well and remain so during this troubling time.

Kind regards

Darryl Pitcher

President IFHE
